YOUR RIGHTS ARE BEING SHOT TO HELL.

But you have the power to stop it.

When:
July 2, 1994

Where:
State Capitol
Sacramento,
California

Our Constitutional right to keep and bear arms is currently under attack. The time has come to remind our **elected** officials that the United States Constitution has no expiration date. We the People will exercise our right to lawfully assemble in an effort to protect our heritage.

Gun owners, collectors, hunters, firearms enthusiasts and any Americans who value their rights...**unite!**

Be there and put an end to the assault on your Constitutional rights!

"They that can give up essential liberty [for safety]... deserve neither."

Benjamin Franklin
